

# NATIVE PLANT SALE

Introduce beautiful, lower maintenance native perennials into your garden and attract beneficial pollinators while you create a more resilient ecosystem.

Each group purchased will contain 15 plant plugs: 5 each of three plant varieties shown per selection. These landscape plugs are 2 inches square with 5 inch root systems.

These selections are available for \$50/15 PLUGS. Order deadline is May 23<sup>RD</sup> and quantities are limited.
